

Service Review Policy consultation – Have your say

Cheshire and Wirral Clinical Commissioning Groups are currently undertaking a Service Review Policy Consultation which proposes revisions to the Cheshire and Merseyside policy on “Procedures of Lower Clinical Priority”.

The proposals cover some procedures in the following clinical areas:

- Cosmetic procedures
- Dermatology
- Ear, nose and throat (ENT), specifically ear wax removal
- Fertility treatments, including changes to IVF treatment and sterilisation
- Trauma and Orthopaedics
- Urology and Urogynaecology

The consultation runs until **January 17, 2017**. Please add your views in the following ways:

- Online survey which can be accessed via the NHS West Cheshire Clinical Commissioning Group website:
www.westcheshireccg.nhs.uk
- Paper questionnaire. Requests via email to:
enquiries.wcheshireccg@nhs.net
- Further enquiries – please call **0800 132 996**
